DESCRIPTION

This extraordinary residence sits directly on the sea, within a private bay enveloped by nature and absolute tranquility. With direct access to a white-sand beach and calm, turquoise waters, the property offers a rare combination of privacy, natural beauty, and refined architectural vision.

Designed with a sophisticated tropical aesthetic inspired by Tulum and the signature style of Alejandro Escudero — the visionary architect behind the acclaimed NIZUC Resort & Spa in Cancún — this villa strikes a perfect balance between contemporary design and organic warmth.

Open-plan living spaces, natural textures, and handcrafted finishes flow seamlessly into the surrounding landscape.
