Tankah Bay

Tankah is one of the lowest-density stretches of the Tulum coast, a cove where the cenote system meets the open sea — Casa Cenote and Bahía Soliman are minutes away, and the bay operates under 24/7 security. Completed in 2022, Villa Vani is contemporary tropical architecture built for the climate rather than against it: bioclimatic orientation, Parota wood in the kitchen, Tzalam wood on the stairs, full-height openings in every room, and pocket sliding glass doors that fold the living and dining areas into the garden....
