DESCRIPTION

A rare penthouse opportunity in Condominio 5:28, ideally situated just steps from Quinta Avenida and the vibrant Playa Mamitas strip. With only 12 residences in the building, Condominio 5:28 offers an intimate community feel, complete with a shared pool and elevator access.

The unit unfolds across two levels. On the main floor, you'll find an open kitchen, living and dining area, a primary suite with a full bathroom, and a second bedroom served by a shared bath.

The upper level features a third bedroom with its own en-suite bathroom and a generous private terrace — an ideal space to unwind above the rooftops. In total, the residence offers three bedrooms, three bathrooms, and one parking space.

This is a compelling opportunity to renovate and reimagine the space entirely to your taste. The footprint and layout are notably uncommon by today's construction standards in the area, making it a find worth serious consideration.
