Spanning 245.31 m² across three bedrooms, this penthouse masterfully blends contemporary elegance with sustainable design — a living tribute to the cultural depth that makes Tulum unlike anywhere else in the world.

Delivered fully furnished and equipped, move-in ready from day one.

Nestled within the lush, eco-conscious enclave of Aldea Zama, this exceptional residence at Miraluna offers a lifestyle that is as refined as it is rare. The development comprises 60 luxury units across five three-story towers, where residents enjoy around-the-clock security and concierge service, a car lobby, Wi-Fi throughout common areas, a brazier, fitness center, spa, yoga space, a breathtaking rooftop infinity pool with lounge terrace, and a ground-level heated cenote-style pool.

Step inside to discover an expansive open-plan living and dining area dressed in curated finishes and sophisticated fixtures. Floor-to-ceiling windows flood the interiors with natural light and open seamlessly onto an outdoor terrace — the ideal setting for a slow morning coffee. A fully equipped kitchen and dedicated laundry area ensure every comfort is accounted for.

Each of the three bedrooms features its own ensuite bathroom, delivering an exceptional sense of privacy and retreat. Four terraces — two of them covered — offer endless opportunities to immerse yourself in the spectacular beauty of the surrounding jungle. Above it all, a private rooftop sanctuary awaits: a sparkling plunge pool for sun-soaked afternoons, an al fresco dining area for evenings under the stars, and lounge chairs perfectly positioned to take in sweeping views of the Mayan jungle canopy.
